RE: CONSERVATION CHEMICAL COMPANY OF ILLINOIS, INC., SITE, GARY,
INDIANA

Dear Ms. Beasley:

We are in receipt of Mr. Karl's letter dated September 28, 1994, in which he states that Universal Circuits Incorporated may have "owned or operated the facility or generated or transported hazardous substances that were disposed of at the facility." Universal Circuits Incorporated is not aware of any disposition of hazardous substances at the above captioned site. The Company will further review its records to gather additional information to determine whether there is any merit to the allegations of the Environmental Protection Agency. We reserve the right to supplement this response.

Please feel free to call the undersigned at (414) 255-0802 should you have any further questions regarding this matter.

Very Truly Yours,

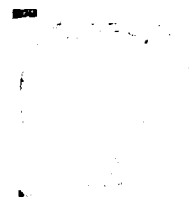

Robert J. Simandl
General Counsel and Secretary
